

# ADVANCED Reporting

Discover untapped insights into  
how your business is running

STAR

## LEARN MORE...

about your business than you ever thought possible.

**Best source of QuickBooks data.** Access to all your QuickBooks data.

**The most customizable reporting tool yet.** Customize every aspect of your report.

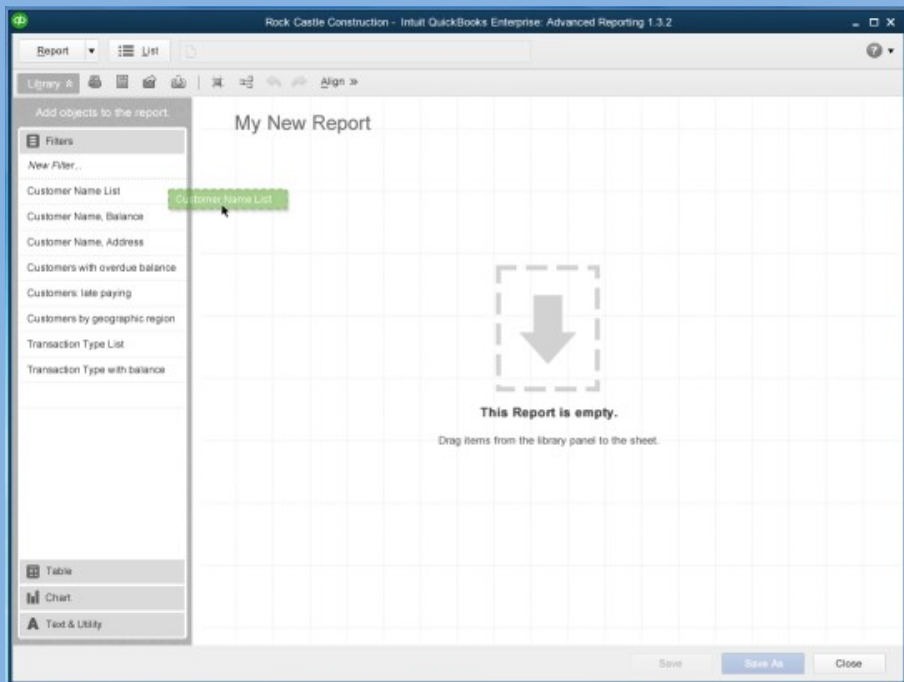

**Interactive Visualization** to see your data the way you want.

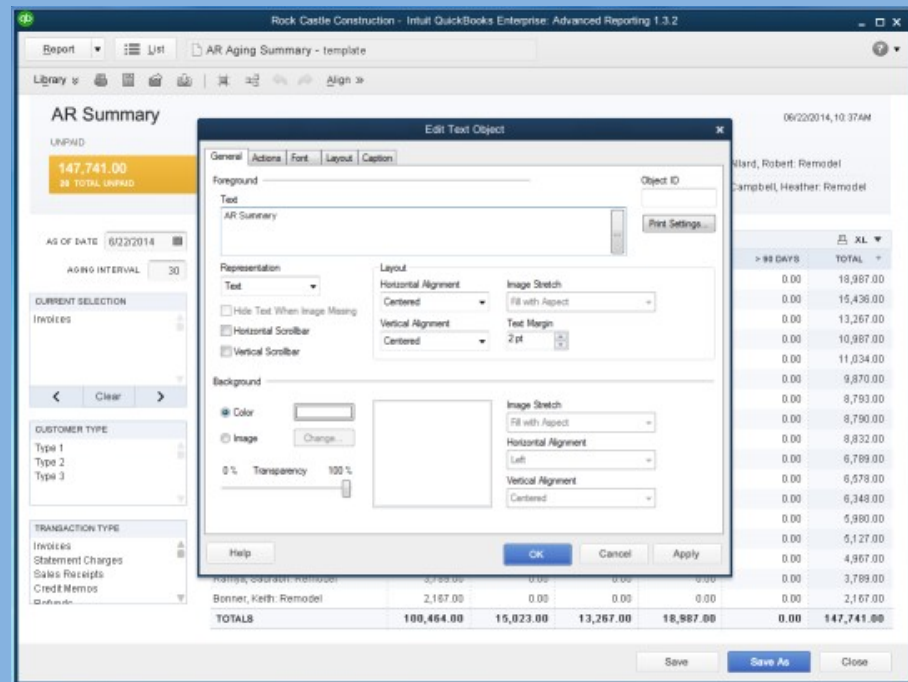

# CUSTOMIZE REPORTS...

to fit your specific business needs

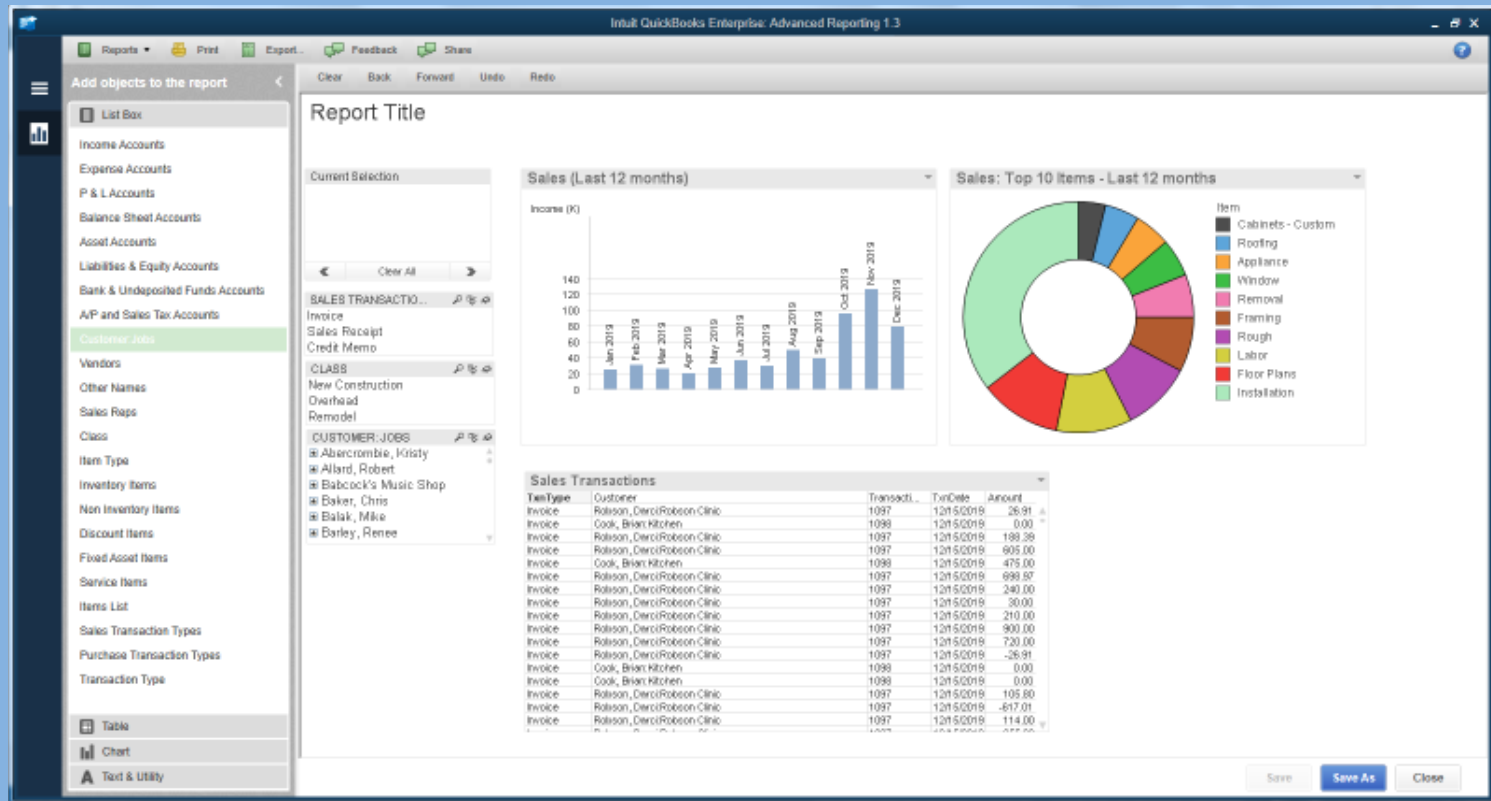

Build reports from scratch or start from a list of familiar templates. Sort and group data by any field, including custom fields. Save time with pre-built filters, charts, search boxes, and more.

Customize virtually every aspect of your reports to fit your specific business needs.

# Interactive Visualization...

to see your data the way you want

Advanced Reporting provides enhanced searching and filtering tools so you can pick and choose the data you want to analyze and report on. Create visualizations to quickly call out trends and key insights.

1. Requires QuickBooks Enterprise 2014 or 2015 with an active Full Service Plan and an Internet connection. You'll automatically receive any new versions of our product that are released, when and if available, along with updates to your current version. 2. Advanced Reporting provides the largest set of QuickBooks data including QuickBooks default and custom fields, system generated data and more.
