

Dear Current or Prospective Best Customer,

Best Software has recently grown with the acquisition of ACCPAC International. ACCPAC brings a number of world-class products to the Best family including the ACCPAC Advantage Series, the ACCPAC Pro Series and ACCPAC CRM.

We are committed to the continued enhancement and expansion of these products, as we are with our other Mid-Market Best brands, including MAS 90, MAS 200, MAS 500, BusinessWorks, Platinum for Windows by Best, TimeSheet Professional, MIP, Abra, FAS, SalesLogix and Timberline. We encourage you to discuss your specific business needs with our staff and a Best Software Certified Business Partner, and we will together help you select the ideal product for your business.

Thank you for the opportunity to work with you to earn your continued confidence and loyalty.

Sincerely,
